Subject: Crow tastes like crap

I told everyone that Donald Trump would get whipped in a historic landslide. I'm eating crow this week like every other political operative, journalist and elitist living in their own little bubble.

OUCH! That hurts to say, but it's as honest as I can be. It's time for us all to pop that bubble and get back in touch with normal Americans.

I'm still pumping out content every day and I'm nearly finished with my series on political tips you can use in everyday life. I hope you find some of this useful.

This Has Been One Hell Of A Campaign Season

That's probably putting it too mildly. But like a lot of people, I've run out of words to describe some of the things that have happened.
