Hi Tony,

I noticed you haven't registered for this Wednesday's (4/19/17) live webcast on LinkedIn's free and paid hiring tools. As a friendly reminder, you still have time to [reserve your spot](#) before space fills up.

This Wednesday, April 19th, I'll be hosting a special management training session titled, "Crash Course: Free vs. Paid Hiring Tools on LinkedIn". In this 60-minute crash course, you'll learn about the tools you need before you begin recruiting for your team, top hiring challenges to look out for, and ways to solve those challenges with LinkedIn's free and paid hiring tools.

We'll uncover how to:

1. Build your own personal brand as a credible hiring manager
2. Master LinkedIn's free and paid marketing features to promote your company and jobs
3. Use the most effective tools to drive more job applicants

This session will help you solve your hiring challenges and make use of all that LinkedIn has to offer! I hope you can join us.
