SPEECH OF
HON. JOE WILSON
OF SOUTH CAROLINA
IN THE HOUSE OF REPRESENTATIVES
THURSDAY, MAY 12, 2016

Mr. WILSON of South Carolina. Mr. Speaker, recently *Chief Executive Magazine* and the United National Movers Study confirmed what we already knew firsthand: South Carolina is a great place to live and work.

South Carolina is ranked seventh in the Nation as one of the best States for doing business, up three spots in the past year according to *Chief Executive Magazine*.

Our dynamic citizens, pro-business environment, and right-to-work laws create jobs. South Carolina is already home to BMW of Germany, Volvo of Sweden, Michelin of France, Bridgestone of Japan, Boeing, and many more.

In addition to creating jobs, more people are moving to South Carolina, according to data from the United National Movers Study. Our strong job market, excellent climate, and friendly citizens give South Carolina the second highest rate among States of individuals moving to the State.

I am grateful to Governor Nikki Haley, Secretary of Commerce Bobby Hitt, and all of the economic development groups who are working tirelessly to bring jobs to South Carolina with technical training.

In conclusion, God bless our troops, and may the President by his actions never forget September the 11th in the Global War on Terrorism.
