Still manning the ship even with snow!

Patricia M. Bowie Way to go!

Judy Cannon Goff That's dedication. Those shoes don't look very warm. Nor the pants for that matter!

Cran Ohlandt thanks. I was rather cold, mostly because I had just chopped nearly 12" of hair off the day before, as for the pants, those orange ties you see sneaking out below my knee is a wool pair of breeches I had on under the canvas ones.
