I think it should begin with an explanation about why they do these reports and clearly explain that you need to look at the data over a longer period of time to get accurate understanding of compliance with the law.

Does it need a sentence about not meeting 100 percent compliance?

If you could take a quick look at the attached document tonight I would really appreciate it. It outline a number of DSS stats and the how they are recorded. Would like to send to some press tonight.

Thanks.
