Dear Ms Priester

It is my pleasure to write to you. I have been in touch with Mr. LeMoine earlier related to our ongoing work in Greenville, SC. In fact, I returned last week from Greenville after meeting the President of Anderson University, CEO of University Center and Senior Officials from the South Carolina Higher Education Commission.

To give you a back ground, our firm Sam Circle Venture works with US based university and healthcare systems to develop solutions having applications for the Indian market. The objective is to monetize the intellectual capital accumulated through decades of R&D in US education systems and create an opportunity to export of this knowledge base, thereby benefiting both economies.

We have an ongoing partnership with University Center and its university partners in Greenville, to develop a two way stream of research, content , faculty and students exchange between South Carolina and State of Punjab in India.

In this regard , it will be our privilege to extend our support for the upcoming visit of Governor Haley visit to India . We will be very happy to host her and also organize interactions at the highest level of political and government systems,, in order to bring a policy level interventions for enhancement of this bilateral relationship.

Please advise us accordingly. I am enclosing a brief of our ongoing plan for you reference.

Best
Amber Malhotra

Dear Mr. Malhotra,

Thank you for reaching out to Governor Haley regarding your work in developing a collaboration with the University Center at Greenville and Rayat Bhara University System. We appreciate hearing from you and learning more about the collaboration you are interested in working on with South Carolina. Please feel free to contact me at (803) 734-5151 or by email: leighlemoire@gov.sc.gov when you have your plans finalized, and I'm happy to check on the Governor or our office's availability.

Sincerely,
Leigh LeMoine
