

Chauncey K. Gregory

3-17-15

South Carolina Senate  
District No. 16  
Lancaster and York Counties

Governor -

I want to let you know that I  
really appreciate your effort to bring  
state agencies together to combat litter in SC.  
SC Dept of Corrections is doing a tremendous  
job along I 77. It has never looked better  
in the 20+ years I've been traveling to CFE.
