Grab your binoculars and bug spray! Ranger Terry is taking us on a tour of St. Phillips Island this afternoon at 2:00 p.m. And while this video is awesome, don't even think it takes the place of the real tour! Book yours today, through November with Coastal Expeditions. Tours depart from Hunting Island State Park: <https://www.coastalexpeditions.com/product/st-phillips-island-ferry/>

Brenda Carder Counts Christopher Parker it's because the mosquitoes are so bad!!! I have been and believe me...you don't want to breathe in one of those ☹️. They are so big they will choke you!

Julia Cochran My uncle Joe Frank Watson was the ranger there when I was 5-6. I remember him showing me some kind of interesting shell, and giant mosquitos that could fly against the sea breeze!
