Subject: Fwd: Screen shot below I openly challenge Bill miles david tiggles and ray deal

Seems I now have another lawsuit with damages against this Gleason person accusing me of fraud below in screen shot . Seems I am going to profit from all this abuse to me now , and this was not my plan . Legal fees and damages perhaps will mount from all this on both Mayors as well . Imagine the Governor and many state leaders are watching now and concerned where all this is headed . Perhaps an emergency summit and meeting of business leaders is mandatory now . I also think ACLU must get involved and this story must go national . Something is bad wrong in SC when a respected business man is silenced from freedom of speech and taken out of a building by police on both arms .. To violate the most basic right we have to freedom of speech and right to public comment is beyond anything one could imagine in the USA . I felt like I was in Venezuela or China . It's very sad we have arrived here all because of a corrupt Hilton head chamber run by dictators , crooks and thieves of public monies . Even sadder no one will force the audit like Palm beach to prove it.

I know openly challenge and cc Bill miles , David tiggles and ray deal to open your books and volunteer to an audit NOW to end this once and for all , and prove once and for all who is the Crook Skip hoagland or Bill miles ?

I have Cced island packet where all this false damaging blog attacks are being posted now . I want this false attacks to stop NOW . These negative false blog post are damaging my reputation . If I am 100% correct in all facts , how does anyone expect to defeat me ?

I have been wrongfully attacked as a messenger of facts period !!! And the damage down to try and avoid facts by attacking me can be proven 100% . And we have all that info . Thx

Sent from my iPhone excuse all typos and misspellings

Here's the screen shot (attached below) of that moron's claims you "lined our pockets" with money from local businesses.  
Make this asshole sweat with threats of a lawsuit!  
It's all-out war on these bastards now!  
Thanks.
