Lawrence,

Well, he did it.

Tonight, President Obama issued an executive order granting amnesty to over 5 Million illegal immigrants.

This move is just another in a long line of power-grabs by his administration - a slap in the face of the democratic process and every voter who came out in this past November's election.

Time after time, President Obama has ignored the rule of law and ignored the balance of power between each branch of government. He has blatantly ignored the will of the American people.

I believe we need an immigration policy that first and foremost stands for the best interest of America and the American worker. At a time when millions of Americans are struggling to find work and cope with stagnant wages, our President allows an additional 5 million people to legally compete with the existing labor pool - diluting wages and opportunities for you, your family and your neighbors.

I know you've got to be wondering if there is anything left that we can do. The answer is "yes."

Patriot Voices will be urging Speaker Boehner and incoming Majority Leader McConnell to use any means available to stop this unconstitutional attack on our liberty.

That means that every member of Congress needs to hear from you tonight <<http://click.cmdiemail.com/?ju=fe1e10777d61007d7c1c74&ls=fdfa13717764017b71157876&m=fe5d1570716002747613&l=fe90107471610d7d70&s=fde9157676660175721d757d&jb=ffcf14&t=>>

right now to send a letter to each of your representatives in the House and the Senate. There is no charge to send these letters and it takes just a few minutes.

Don't sit on the sidelines. Your voice is needed.

Stand with me as we fight for our families, our jobs and the very foundation our country was founded upon.

President Obama has overstepped his Constitutional authority. Together, we must stop him. Go to NOOBAMAAMNESTY.COM
