We'll get this done (Catherine, pelase?). Also, he wants to stop by the Fairfield Council on Aging tomorrow at 4:30. That's the end of their day, but can the director stay a little late? Just 30 minutes? Please send me the confirmation when you can. Thanks

Hank - Would you see if Lt. Gov. Bryant would help us by writing a letter of recommendation? We so enjoyed his attendance at our fall dedication of the Veteran Garden on our campus and we know he is supportive of measures that honor the Veterans of this great state. Thanks!

This September The Carolinas Center will award one hospice provider in the Hospice Veteran Leadership Award at their annual conference. The Carolinas Center is a nonprofit organization that serves the network of hospice and palliative care organizations across North and South Carolina. This award will recognize a hospice provider organization that has excelled in providing veterans services in the communities it serves.

Nominees must:

- * Provide support, education, recognition, and services to veterans
- * Work with community partners to provide the above-mentioned care to veterans
- * Provide their staff and volunteers with the education and skills necessary to provide excellent service to veterans

Hospice & Community Care is proud to be nominated for this award and for the work that we have done to support our Veteran patients, their families, and the community. Along with being recognized as a Level 4 We Honor Veterans partner, Hospice & Community Care partners with local organizations and individuals to ensure access to the highest quality hospice care is available in our community. Our Veteran Garden is a visible sign of our commitment to the Veteran community. We also host monthly coffees for Veterans and our Veteran Volunteers. Approximately 25% of our hospice patients are Veterans and our organization is proud to support them and their families in a variety of ways including Veteran pinning ceremonies honoring and thanking them for their service to our county. Would you consider sending a letter recommending Hospice & Community Care for this award? Your support has been a vital reason that we can continue to offer hope, comfort, and compassion to our community when we need it most.

Letters recommending Hospice & Community Care for the Hospice Veteran Leadership Award may be sent to The Carolinas Center - Award Nominating Committee, 8502 Six Forks Road Suite 101 Raleigh NC 27615, Phone Number: (919) 459-5380, Fax Number: (919) 459-5390, Email Address: info@cchospice.org, Please submit letters no later than July 1, 2018.

Thanks for your support. Please contact me if you have any questions.
