Kara,

Thanks for the follow-up from yesterday's taping; I'm glad to hear everything went well. I actually spoke with Tony Kester after he returned from the ETV studio, and he was excited - as am I - about the possibility of being able to share additional information on the Office on Aging during future tapings.

In the meantime, I will check to see if someone who can discuss SCACCESS in detail is available on March 26 (I feel certain someone will be able to make it), and I will be sure to keep you in the loop on any substantial bill movement going forward.

Thanks again, Kara.

Good morning Hank!

Thanks again for your efforts to help Senior Connections.

Mr. Kessler was great! The shows he was interviewed in will air Tuesday March 4th and Tuesday March 18th at 12:30 on WIS.

Warning! I'll be bugging you again soon for our March tapings. We didn't get to SC Access which is a really fantastic site. Mr. Kessler said you all have someone in house that would be great to speak on that. Our next taping date is scheduled for March 26th if that person is available. Also.. . please keep us in mind if/when there is any movement on the bills we discussed.

Have a fantastic day!

Blessings,
