Dear Colleague,

Tax season is here again!

In January, beneficiaries received their [Social Security Benefit Statements](#) (SSA-1099 or SSA-1042S) for tax year 2015.

If someone misplaced the form, we have an easy remedy. Beneficiaries can get an instant replacement form SSA-1099 or SSA-1042S by using their online [my Social Security](#) account at [www.socialsecurity.gov/myaccount](http://www.socialsecurity.gov/myaccount). It's free, fast, secure and saves a trip to the local field office.

Please let your audiences know about this convenient service.

NOTE: This message applies to Social Security benefits only, not Supplemental Security Income. Supplemental Security Income payments are not taxable.

Thank you for your support!
