Swati,

There are two entities – “John De La Howe School Foundation, Inc.” and “John De La Howe Alumni Association” – which are domestic nonprofits. As we work on the budget, I’m trying to get a better sense of what the financials of the school’s related entities look like. I checked with Guidestar, but there aren’t any 990s for either entity online.

Would we be able to get copies of the Articles of Incorporation (and for the Alumni Association, the 2012 amendment) for both entities, and then also the last 3 years’ filings with the Secretary of State’s Office for both? Thanks.
