Sorry it took a little time to get back to you – we actually started budget meetings a few weeks ago, so we're still in the middle of it. Could you meet at 11 this Thursday?

Christian and Josh,

I wanted to touch base with you, before the crazy season, starts to see if there was a 30 minute window when we could meet. I thought it would be helpful for me to understand the priorities for budgeting in this next year and to clarify any questions you may have about Children's Trust or the programs we operate. Please note: David Laird was the contact for our office but he is no longer here. (He is tired of policy work and has moved on to the Central Carolina Community Foundation.) So please feel free to contact me, at any time, but especially about a time that works best in your schedule.

I look forward to meeting with you!  
Sue
