Hi Christian -

I hope all is well with you. Congratulations for finally getting the DoA bill passed.

I'm told that the bill doesn't take effect for awhile, but I'm sure you're already thinking ahead re implementation. As you may recall, I represent Alvarez & Marsal, the turnaround/restructuring firm that specializes in implementing change. They have helped both HHS and DEW with their challenges (along with DPW in Pa, etc., etc.).

David Javdan of A&M would like to come visit you to discuss the long term plan for implementation of the DoA bill. Are there days within the next month that would work for you?

Looking forward to catching up.

Regards,  
Lee
