WIS News 10 Sunrise (News)

... fixing roads and bridges in the state. a house committee approved several recommendations tuesday, but nothing has been finalized. they're considering the plan governor nikki haley laid out last week during her state of the state address. the three-pronged approach would cut the income tax, restructure s-c-d-o-t, and raise the gas tax in an effort to boost funding to fix roads. meanwhile, trip, a national transportation research group, recently found that ...
