These 3 brothers from Alabama are traveling the U.S. for a year homeschooling in their camper to see the National Parks. They ended up at Lake Greenwood State Park camping while visiting Ninety Six National Historic Site. So while they were at Lake Greenwood, they also become Jr. Rangers! It's a great program that kids can take part in at many SC State Parks! Check it out here: www.SCJrRanger.com

Kim Joiner Wow that's awesome.
