I've spoken to Mr. Pepper, he is interested in the new automated child support system and wants to find out if it applies to his situation and if it doesn't wants to see something automated for their situation. I couldn't answer whether it would apply to the situation he was describing. I recommended he contact his Senator and have them work to get the information from DSS or the General Committee. I told him to call me back in a week or two if he hit a dead end.

Mr. Bryant,
I hope this email finds you well. Hi my name is David Pepper and I am a 55 year male that has grown up here in Greenville, SC. I am a husband, and stepfather to 3 awesome boys that are 19, 17 and 13. My wife and I have been married now for over 5 years and we all attend Marietta First Baptist Church in Marietta, SC. Is it possible for me to meet with you in your office sometime in the near future to get some advice on something I believe would help a lot of Families here in SC. It concerns the Child Support laws of SC. I think if I had possibly 30 to 45 minutes of your time would be great. Thanks for any of your time or help in this matter.

God Bless,
David E. Pepper
