Subject: Copy of document referenced in May 21st DSS Oversight hearing

Senator Young,

At the May 21st DSS Oversight Hearing, Sen. Lourie referenced a document from January 7, 2009, titled Office of Community Services Reallocation Plan. The Senator referenced this document as the last standards for caseload sizes for economic and human services.

In order to accurately answer his follow up question, DSS needs to research the document Senator Lourie referenced on May 21st. DSS has been unable to locate the document in question. Could you please assist us in obtaining a copy of this January 7, 2009 document?

DSS Follow up items from May 21st will be sent to you and Chairman O'Dell this Friday.

Thank you,
Katherine
