We are prepared to support this meeting. Katherine, as we prepare for the large recovery mission, can you please forward all requests for public meetings to me as the state rep for public information, and Hannah as the FEMA Rep. We will be helping Elizabeth communicate recovery information as much as we possibly can. THANK YOU!

Hannah,

Below is a FEMA request from Representative James Smith (*he attended the delegation meeting last Thursday*).

He's requesting a FEMA representative to attend the Rosewood Neighborhood Community Council Meeting, Thursday, October 15, at 6:30 p.m. at Hamilton-Owens Field Airport conference room, 1400 Jim Hamilton Blvd – to be able to answer questions regarding FEMA assistance.

Thank you,

Katherine

Subject: FW: flooding in Rosewood |Thursday meeting

Katherine:

Thank you for your time on the phone today. Following up on our discussion, there has been substantial flood damage along the Gills Creek Watershed in Rosewood to include the streets and surrounding areas of Glenhaven, Timberlane, Whispering Pines Circle and Shandon Crossing Apartments.

I would appreciate your help in getting FEMA representative to attend the meeting this Thursday evening of the Rosewood Neighborhood Community Council. Details of the meeting are below. Please let us know if they will be available to attend. I have copied Ms. Jenna Stephens, President of the Rosewood Community Council on this email so we can plan for FEMA's participation at the meeting.

Thank you again for the tremendous support you are giving to our communities.

Sincerely, James

Rep. James E. Smith, Jr.
