Subject: Governor's Certificate - Roper St. Francis Healthcare

Please find attached the Governor's Certificate for an upcoming JEDA bond issue for Roper St. Francis Healthcare. The proceeds of the bonds will be used to construct a new 50-bed hospital in Berkeley County and to undertake other capital improvements in Berkeley and Charleston Counties all by RSFH. I am also attaching affidavits of publication for both public hearings. Both Charleston County Council and Berkeley County Council have adopted resolutions in support of this bond issue and the related projects for RSFH. If you could have the Governor sign 4 copies of this Certificate, I would greatly appreciate it. I'll send over a courier once you let me know that the Certificates are ready to be picked up. Many thanks.
