[kmeeks22](#) This is our favorite spot! My wife @jmeeks000 and I have hiked in and camped there numerous times. After setting up camp and before sunset we would go back up to the cliff overlooking the water to watch the sun go down. There was one to she thought I was going to propose there...

at 12:19:32 on 6/16/2020 UTC

**kimhudson803** @cajuntrekker That's T3. And it's not really boat in since it's at the end of Raven trail.  
at 12:27:26 on 6/16/2020 UTC

**kimhudson803** Out there, my favorite meal was one I cleaned up after myself and didn't trash out that campsite  
campsite like we regulars have been seeing lately since the advent of these State park marketing campaigns.  
Just a reminder, Litter Trashes Everyone! Be kind and respectful and pack it out !!! 🗑️👤👤👤  
at 12:30:07 on 6/16/2020 UTC

**jmeeks000** @kkmeeks22 and he in fact did not propose here. The cliff would definitely be a romantic spot  
though. We still got married and it's still my favorite camping spot!

at 1:51:39 on 6/17/2020 UTC

**jenn\_l\_stewart** @scstateparks no recipe lol. Just a box of frozen Sea Pak shrimp scampi heated up over the  
fire. Easy and simple for me is the only way to go when camping.
