The Honourable Nikki R. Haley,
Office of the Governor,
1205 Pendleton Street,
COLUMBIA, S.C.

Your Honour,

My family and I belong to a small Evangelical Church in West Columbia.

We have, and always will be, a Missionary minded fellowship with missionaries in many countries of the world, but our attention is also on our own country and **ALL** it's leaders. We are driven by the need to support our leaders, Local, County, State- Wide, and Nationally.

So we decided **not just** to rely on the use our individual 'voting rights' to make our aims and desires for our beloved country known to one and all. Thus we turned to what the Word of God tells us, as Christ Followers to do, and that is PRAY for all the people whom we have as our leaders.

We felt that each week we should let the person we're praying for know what we're doing. Thus Madam, you should know that all our families have been praying for you, daily. Not only as one of the most important leaders of our state, but for you as an individual, a Mother and a Wife and all of your family, for this entire week.

We are trusting you into God's hands to have the fortitude, wisdom and the will to do for your State what you know is right without having to pander to every demand you receive.

Last week we covered The Supreme Court's Chief Justice, John Roberts, with all the problems of our Nation on this "Esteemed Body's" to do list to decide and rule on.

We here at Augusta Street Church are not special, but God says because of our relationship with His Son, we are, and so we now appeal to Him to step into America's turmoil and set us straight.

We thank God for you and all you have done and are doing. Let us respectfully remind you that, you'll never be able to please everyone at any one time, but don't lose your faith in the only One who can -- and who **will** act on your behalf when you call on Him.

Yours ever in Christ Powerful Name,

Jack Williams, (On behalf of this Congregation)
