Thanks Meredith! Just getting to this. That is good enough entail. I was worried there would be a shorter timeline. Really appreciate it!

Basically, I'm not sure if we'll have results from the Election Commission by next week anyways and it looks like our letter to you and the certificate of ascertainment were both done at the beginning of December last time. We'll get you the certified results as soon as we get them along with the elector information and we can work on scheduling signing at that time for the ascertainment and certificates of election for US Reps and Senators.

When you say "certify the results" are you referring to the certificate of ascertainment? I think she'll need to sign those and I also think she'll need to sign the certificates of election for the US reps and senators (which we'll prepare). I'll touch base with you tomorrow on this.
