## South Carolina State Parks

at 12:30:00 on 5/13/2017 UTC · 🌐

Break out the tents & coolers! Novice & expert campers alike will enjoy the Bear Awareness Program at Charles Towne Landing. Join the Animal Forest keepers to learn how to make your campsite less attractive to wildlife like raccoons and bears. Our resident bears will even demonstrate what happens when you don't follow good camping practices! Program is Saturday, May 20th at 2:00 pm: <http://southcarolinaparks.com/products/10004094>

**Mina Harrington** Raccoons have trained me well!! LOL Even squirrels can be food thieves!!
