Danny,

Can you give me the necessary information?

Thanks,
Cheryl

Good morning,

We need the possible personal use of a state vehicle reported to us for the Lt. Governor for the November 2016 to October 2017 reporting time frame. They might not have any to report or may not even have a permanently assigned vehicle. If so please respond so we can handle the reporting if necessary. Please see the attached memo.

Feel free to contact me with any questions or concerns.
