OFFICE OF THE DIRECTOR

Dear Mr. Keck:

I am writing for two reasons. First, I thank you and your staff for providing data for the June 2012 Medicaid enrollment update for The Kaiser Commission on Medicaid and the Uninsured. If you have not already seen it, the June 2012 snapshot is available at <http://kaiserfamilyfoundation.files.wordpress.com/2013/01/8050-05.pdf>.

Second, we are now preparing a report we hope to release in December which will focus on trends in Medicaid enrollment through December 2012, and if possible June 2013. For that report, we are asking that you send us the report or Excel workbook that Michael Jones has sent us in the past, updated with Medicaid enrollment data for the month of December 2012, and also June 2013 if available.

If you have any more recent data that you can send that is more current (even if it is not in the above categories or is preliminary) that would be helpful.

We would like if at all possible to have this data no later than November 15th. Most states now provide the information electronically. If you are able to do so, please e-mail your response to Dennis Roberts at: [droberts@healthmanagement.com](mailto:droberts@healthmanagement.com). Otherwise, please fax the report to Dennis at: 517-482-0920, or mail to his attention at:

Health Management Associates  
120 N. Washington Square, Suite 705  
Lansing, MI 48933

You will note we are sending a copy of this letter to Michael Jones who assisted us as we gathered data for the last report. I hope this will facilitate our request because of the short timeframes we are working under for this report.

I thank you very much for your help on this very important project. If you have any questions, please feel free to call Eileen Ellis, Dennis Roberts, or me at 517-482-9236.

Sincerely,

  
Vernon K. Smith, Ph.D.  
Principal
