**DATE: FEBRUARY 12, 2015**

**SUBJECT: ANNUAL REPORT OF THE SOUTH CAROLINA TUITION GRANTS  
PROGRAM**

Enclosed for your review and reference is a copy of the annual report of the South Carolina Tuition Grants Program for the 2013-2014 fiscal year that ended June 30, 2014.

Enacted in 1970 by the South Carolina General Assembly, the South Carolina Tuition Grants Program has provided over \$838 million to more than 384,000 South Carolina students educated at one of our state's twenty-one eligible independent colleges.

Your unwavering support of the South Carolina Tuition Grants Program over the years has been greatly appreciated. As we seek to give our state's residents the choice of attending the higher education institution in South Carolina that both saves South Carolina tax dollars and best meets the students' academic needs, we would ask for your continued support of the program.

Please contact the South Carolina Tuition Grants Commission if you have any questions about the enclosed annual report.
