Dear Governor Haley,

Thank you for your support to the South Carolina Governors School of the Arts and Humanities. I am from North Myrtle Beach High School in Horry County, and I am currently studying the doublebass. Your support has helped to make it possible for each member of the 2014 graduating class to receive financial assistance for college; as well as help our school to have an SAT score of 1688 which is higher than the South Carolina average of 1436 and the national average of 1498. Thank you so much for your huge support in the arts.

Sincerely,

Garrett Brittain
