Hi Nikki,

Hope you had a great weekend. We really want to include you in our upcoming Spring March/April issue. How can we make this more compelling for you?

Please let me know if you need additional information as I'm happy to provide. Again, feature is really simple and all done via email, all we need back are your answers, 1-3 high res photos and a bio.

Thank you so much!

Hi Nikki,

How are you? I know you are super slammed and I apologize for the mass emails. However we really want to include you in our upcoming book. How can we make this work out? As you know, all we need back are you answers, 1-3 high res images and a bio. I'll write the intro which is typically 150 words and send it back to you to fact check/approve. Can we please confirm and include you in our next issue? Would be such an honor to add your name to our roster, we've included such incredible people and it's such a simple feature.

Please let me know any thoughts and again, thank you!

Hi Nikki,

How are you? Happy New Year! Wanted to reach out again and see if we could discuss our upcoming **MARCH/APRIL 2015 issue**.

We'd really love to finally feature you inside the magazine. As you know, the 10x10 feature request is very simple and all done via email. Each issue we feature 10 extraordinary people and ask all of them the same 10 questions. All we need back are your answers, 1-3 high res images and a bio. I'll write the 150 word intro for you
