Ms. Sturkie,

Thank you for your help today. We have our license posted by our fire escape plan! I wanted to double check and make sure that somewhere it is documented that we have completed the paperwork and are interested in

adopting if a child becomes available for adoption.

Thank you again for your help,

Esther Dennis

Subject: follow up

Mrs. Dennis

I apologize that you have not received this before now. Please find the attached license with an effective date of September 24, 2014. Thank you for willingness to care for our children who have had to be removed from their homes. We will ensure that your address is correct in our database and paper file. Please let me know if you need anything further.

With Regards,

Sandra Sturkie
