Dear Director Koller,

In the coming weeks, I suspect that the reauthorization and reform of First Steps might come onto your radar. In the event that it does, I hope it will be useful to have a copy of our proposals for the strong reform of First Steps and the sample legislation we have drafted. Please see the attached packet for more on our ideas and for the sample legislation. We will present this information on Monday at the meeting of the First Steps Reauthorization Panel.

Please let me know if you have any questions or input.

Have a great weekend-

Joe Waters
