Chaney,

Rob Hendin shared your email with me – John Dickerson and I are flying into Columbia on Tuesday (July 14) for some meetings ahead of the Gov. Walker events around South Carolina on Wednesday, and I wondered if you had time to grab a coffee/drink/just chat with us for a few minutes about the last couple of weeks? Just to properly meet and talk on background, etc. Trying to take advantage of being on the road and able to talk to people who most of the time are email aliases.

Hope you've got some downtime planned this weekend, you all deserve it!

Alicia
