Sharon,

If this a service you think needs to be continued, then use HCBS funds. You have that flexibility.

Subject: Home Care

Tony, Angi Conner, ED at Fairfield County Council on Aging is going to have to call two thirds of her Home Care clients this afternoon to give them their ten day notice of termination. She only has enough Title III B to continue one third of her clients on July 1. Please let us know by 3:30 pm if you do not want her to terminate her clients. I have told her to take the 60 clients with the highest priority score to keep. She will be combining Home Care I and II to be able to serve 60 clients.
