With regard to Items (1), (2), and (3), our office has identified responsive to your request, some of which may be exempt, redacted, or prohibited from disclosure as is allowed or required by law.

Due to the high volume of Freedom of Information Act requests received by the Governor's Office and the significant costs associated with producing the requests, our office will charge a reasonable cost for searching and copying records as allowed pursuant to Section 30-4-30(b). We are currently compiling responsive records to determine an estimated cost. You will be notified as soon as cost estimates have been determined.
