Swati,

As I mentioned to you earlier, we are going to Wisconsin for Labor Day because we have not been to see Craig's family this summer. Our flight leaves Friday and returns Tuesday, so I was planning on submitting AL for those two days (Monday is Labor Day). For some reason, I can't get into SCEIS to submit my leave request. I have asked Halti to assist me.

I received a meeting request from Nicole for Tuesday with the Governor on the ABAWD waiver. If I compile all of the information I have on the issue for Josh prior to leaving, will it be an issue if I miss that meeting?

I hate the timing of this! Sorry to take two days in week one and two.

Thanks, Holly
