I have about 700 emails I've sent. I'd have to guess at the page count...probably about 1,500 if you printed them. With attachments, I wouldn't be too surprised if it were about 8,000 pages, since that timeframe would include a bunch of amendment/bill drafts (every time I emailed a DoA amendment draft, it would be about 120 pages of text...and there would be many of those emails).

Subject: FOIA - outgoing emails

Our office received a FOIA request for “all emails sent by Gov. Nikki Haley, her chiefs of staff and legislative staff since Jan.1... [to] include those from state and personal accounts...”

Please let me know the estimated number of emails responsive to this request by Friday. If you have any questions, please let me know. Thank you.
