Yes, it can be ready very shortly (before 12). Would you like me to follow up with Ms. Claster? Thanks so much!

Apparently, Senior Corps Week is this week (I know, I know)...

Do you mind looking into this one and sending me a draft of what they're requesting please? I'd like to get back to these guys today if at all possible. Thanks.

Subject: Senior Corps Week

Mr. Soura,

I'm in the Government Relations office at the Corporation for National and Community Service and I'm writing to see if you might be able to help us secure a proclamation from Governor Haley in honor of Senior Corps week. I've spoken a couple times with Leanna DuPree, who has submitted the proclamation on our behalf. She is not aware of any problem other than our request came in with shorter lead time than the governor's office usually requires. I understand you serve on the state commission and was hoping you could give me a sense of where this stands. We will be issuing a press release announcing the number of governors who have agreed to issue proclamations, which I believe is over 35 now, and we'd love to include Governor Haley in our count.

I can be reached at this email address or at the phone number below and would be happy to do whatever I can to facilitate this request. Thanks so much.

Best,  
Becky
