## REMINDER

The Republican Governors Public Policy Committee (RGPPC) will host its monthly call for Republican governors' general counsels and legal advisors on Tuesday, February 9 at 3 PM EST. We had 25 participants representing 19 offices for our first call in January.

On the agenda for the February call is RGA General Counsel Mike Adams, who will discuss broad issues related to reporting and ethics requirements that may be applicable to your offices arising from RGA events or travel. If you have other items you would like to raise on the call or hear more about, please let me know by COB Friday, February 5. A final agenda will be sent out early next week.

Again, we will keep the call to 30 minutes. The RGPPC intends for these calls to facilitate communications between your offices on common legal issues, best practices, and synergies that may be useful through collaboration.

Thank you in advance for your participation.
