Subject: RE: March 11th Aging Advisory Council Meeting

Gerry,

Thank you for the notice; I believe I received it in error. I resigned from the council last year. As I mentioned then, my responsibilities with my job simply present scheduling conflicts virtually every month. Once again, I will be traveling on business outside of the country, and I would not be able to make the meeting.

I have truly enjoyed getting to know the members of the council, and I will be happy to assist the council in any way that I can.

Best wishes for continued success,
