DOI – Ask me what your insurance policy covers

Shouldn't this be "coverage"?

They brought their own signage last year. But let me know if you think we should add.

All,

Can you please let me know if you approve of the language for the posters which will be placed on easels behind the agency stations for Team SC Day? It is the same as last year, with the addition of a few agencies. Austin and I will meet with the Governor today at 11:45 to have her approve the final version and then I will send it to PRT for printing.

Thanks,
