### Aging Network Volunteer Resource Center Seeks Stories of Inspiring Volunteers

During this year's National Volunteer Week, which takes place April 23-29, n4a will highlight stories of Aging Network volunteers who inspire us with their service to older Americans. **Send us your nominations (no more than 100 words), including the following information, to Peter Lane at [plane@n4a.org](mailto:plane@n4a.org) by March 15:**

- Name and how long s/he has been volunteering
- How s/he helps address an important need
- What makes their service so special

National Volunteer Week is an opportunity to celebrate and thank volunteers making a difference in their communities. This year's theme is "Service Unites." For more information, visit <http://www.pointsoflight.org/signature-events/national-volunteer-week>. Later this month, the Aging Network Volunteer Resource Center will offer materials to help your agency celebrate and recognize the contributions of its volunteers.
