I have asked the reporter to provide whatever document he's referencing.

First, like Swati, I see no such decision or order. Maybe we'll find it...

Second, I'd be interested in seeing whether "vital programs" is a direct quote from somewhere. It's a pretty subjective statement.

Third, it's not news that there are other programs funded through that line. That's why we didn't have it zeroed-out in the Executive Budget. We just funded the non-CON stuff from that line. If they gave us blue line, we wouldn't have to do all-or-nothing vetoes like that.

Rob â€œ

Does the governor have any comment on today's state Supreme Court opinion that her veto message, saying it only applied to the CON program, in fact struck down funding for a number of other vital programs administered by DHEC?

Appreciate your help.

Hope all is well.
