David,

We agree. Please ask him to serve on behalf of the Governor's Office. Thank you.

Richele,

We recommend Larry Barker. Larry is Director of the State Office of Victim Assistance. He has some familiarity with the subject matter and has agreed to serve in the capacity.

Got it. Thanks.

Let me know who you recommend. We definitely want someone who would have some insight into these issues. Thank you for handling. We would like to delegate.
