Dear Mr. Kerr:

This grant award has been approved under appropriation 75X0512, "Grants to States for Medicaid." Any funds unused during this period may be carried forward and used in the subsequent period(s).

<u>Activity</u>	<u>Period</u>	<u>Amount</u>
State Certification	January 1 -- March 31, 2008	\$447,686

In accordance with your State plan under Title XIX of the Social Security Act, the above award provides funds for the Federal share of expenditures for activities related to the survey and certification activities of long-term care facilities. Computation of the award as reflected on the enclosed statement was prepared in accordance with the Code of Federal Regulations, Title 42, Section 430.30 Grants.

With the acceptance of this award, you agree to be responsible for limiting the drawing of Federal funds to the actual time of disbursement and to submitting timely reports as required. Further, you agree that when Federal funds are advanced to secondary recipients, you will be responsible for effectively controlling their use of cash in compliance with the Federal requirements. Federal funds to meet the Federal share of current disbursing needs may be drawn by presentation of payment vouchers against the continuing letter-of-credit certified to the U.S. Treasury Department. Withdrawals of Federal funds are not to exceed the total award shown above. Under provisions of Treasury Department Circular No. 1075, failure to adhere to the above requirements may cause the unobligated portion of your letter-of-credit to be revoked.
