Hi Michelle,

Thank you for reaching out, unfortunately the governor does not have any availability this week.

However, please feel free to reach out whenever we can be of assistance.

Thanks,

Chaney

Importance: High

Hello Chaney:

I hope this finds you well. I am reaching out to see if Governor Haley could be available this Saturday for MSNBC's Joy Reid to talk about South Carolina one year later after Charleston and also what happened in Orlando. Anything you could do to help facilitate would be greatly appreciated. Alternatively, we could tape something on Friday. What do you think? Anything you could do to help facilitate would be greatly appreciated!

Best,
