Joe,
Below are the items that we discussed this morning. Please let me know if you have any questions.

Follow ups:

1. Lower payouts: How is the agency lowering payouts?

Example - internal policy as of 2/1
- the new parameters that as of 4/1

2. Training: How are we training the frontline? Training for the hearing officers and judicators - improving interrupting the law and case studies etc.

3. Oversight: How and when are we reviewing claims?
- increased the number of claims reviewed

4. LAC: problem vs. DEW solutions

What time works for you in the morning?

Thank you, Katherine
