It was great speaking with you yesterday at the state house. As per our conversation, the info to the ND State Convention is below.

Friday, April 1st: Governor's Club Dinner.  
Social hour at 5:30, dinner around 6:00/6:30 and a guest speaker at 7:00pm.

Saturday, April 2nd: NDGOP State Convention program. This is where they endorse statewide candidates. They usually have a featured speaker at this event as well. If Friday doesn't work, this would be another great opportunity for Gov. Haley to speak at.

I'm sure her and Gov. Jack Dalrymple will run into each other at RGA this week/weekend if she attends.

Thanks again for taking time to chat yesterday. If you have any questions, feel free to call or email me at anytime. Thanks.
