Subject: Council on the Holocaust

Good Evening Debbie,

I had asked Lily about the information on the Council on the Holocaust because I remembered discussing it with her. She has told me that you may be able to answer my questions.

I am trying to find out the status of the Lt. Governor's four appointments to the Council on the Holocaust. Would you happen to have the names of the appointees, the dates of their appointments, and if there are in vacancies that the Lt. Governor is responsible for?

Thank you for your help with these questions.

Best Regards,
